This BUYER has purchased an AKC Purebred Golden Retriever: **Male/Female**
DOB _____. Breeder warrants puppy to be in good health at the time of sale. Puppy will have had its 1st distemper shot and is up-to-date on Strongid (Pyrantel Pomaote) weekly de-wormings. Vet exam records are sent home with Buyer along with more deworming of Panacur & Metronidazole for the last deworming. Pups can easily get re-infected just by stepping in poop absorbed thru their feet.

The BUYER will have this puppy examined by a veterinarian within 72 hours of delivery. Should Buyer's veterinarian determine the puppy to be ill or for any other reason puppy is unacceptable Buyer may return puppy for a refund during the 72 hour period, provided puppy is returned in the same condition as at the time of delivery. **Vet's Name, Address & Phone:** _____

BUYER gives BREEDER permission to talk to BUYER'S Veterinarian and to release all vet records on this puppy throughout the life of the dog should BREEDER request them.

BUYER Agrees to:

1. Provide puppy with adequate vet care, including puppy booster series and annual exams, heartworm test and preventative.
2. Register puppy with AKC on a Limited registration only; registrations with UKC are strictly prohibited.
3. Spay/Neuter puppy at appropriate age, 6-9 months for a female & 12-18 months for a male. **Unauthorized breeding(s) by BUYER will forfeit \$10,000 to BREEDER each offense. Buyer's Initial's** _____
4. Puppy must be kept in trim weight, gaining 5-8 pounds/month for first 6 mths. Female weight 50-55 lbs at 1 yr of age; then 55-65 pounds at 2 yrs of age. Male weight 60-65 lbs at 1 yr of age; then 65-75 pounds at 2 yrs of age. An overweight puppy will default your contract.
5. Keep puppy on a well-balanced diet free of allergens from corn, wheat and soy. Breeder prefers puppy to be kept on Canidae All Life Stages and/or mixed with grain-free Canidae Salmon with only 8 ingredients. We use a blend of these 2 foods for our show dogs.
6. Puppy must have regular exercise, i.e. retrieving, swimming, short walks, etc.
7. Puppy must not be subjected to stressful repetitive exercise (i.e. jogging, biking, treadmill, roadwork, etc.) without prior OFA preliminary hip report with a rating of Good or better.
8. Provide a suitable fenced area with shelter. Puppy is never to be tied out nor chained on a dog run. Puppy is not to be crated throughout the day while Buyer is at work.
9. Enter puppy into an obedience class starting at age 9-11 weeks and continuing until 9-12 months of age. Puppy must be adequately socialized and not exhibit fear or abnormal reactions in normal family or public situations. **BUYER'S Trainer & Phone/Website:** _____

PUPPY HEALTH GUARANTEE: This puppy is guaranteed against congenital defects for one year except overweight puppies who develop joint issues. Should the puppy die within that time as a direct result of a congenital defect, the puppy will be replaced ONLY if an appropriate autopsy is performed by a licensed veterinarian and the vet's certificate is provided as proof for cause of death, especially when small children/adults may share grapes/ raisins which shut down the kidneys; or pork, mushrooms or toxins are ingested. A replacement will be made with a puppy of comparable quality and value, as **BUYER'S SIGNATURE PAGE 1:** _____
